Hello! I just submitted a public information request through your form. The request number is 51428.

Attached are the documents I referenced in my request.

Below is the original request:

*Records related to all law enforcement officer certification in this state, including:*

*Police officers;  
Individuals hired in certified positions but have not yet been certified or who never completed the requirements for certification;  
Corrections officers;  
Probation and parole officers;  
Individuals who have been decertified (who may have had their certificate status revoked, surrendered or denied.)*

*Please include the following fields for at least as far back as 2017 through the most current date available at the time this request is filled:*

*Person APSC ID  
Person First Name  
Person Last Name  
Person Status (Active/Inactive)  
Employing Organization Name  
Current Certification Status (Active/Surrendered Status/Revoked, Lapsed Contingent)  
Original Certification Issue Date  
Updated Certification Status Issue Date (if applicable)*

*Please provide this information, if possible via email in an excel-readable format such as a .csv or a .xlsx.*

*We are aware that this information is kept by the Alaska Police Standards Council and much of it was released in 2018 under the request tracking number #12784.*

*Although correspondence around that request indicates that it does not include officers' current certificate status, it does clarify that the information was received the year prior in a previous request.*

*This form does not include a place to attach documents, so I will follow up with an email referencing the request number assigned and attaching the documents I am referencing.*

*Thank you.*
